## Hi Ohio!

Students at Montgomery High School in Columbus, Ohio, are doing a project about countries in Europe. Read this letter from the Sweden Project Group and write a letter in reply.

Dear friends in Sweden,

We're working on a European project and we've discovered that we don't know very much about your country and the way you live. Please write back and tell us. And of course we are curious about **YOU**—who are you and where are you from?

Our high school has about 1,000 students and we have a great football team, a big band and lots of after-school activities. What about your school? And what about the Swedish school system? Tell us what it's like!

Some more questions that we have are:

What is it like to live in your country? What are young people interested in?

What do people talk about and what do they think is important?

We think that a lot of people get the wrong impression of our country through TV and other media. So we wonder what you know about life in the US.

Finally, what are your plans for the future?

Hope to hear from you soon!
